

## **ActiveCare Upgrades Weight Capacity of Spitfire EX 1420 Scooter**

We are pleased to announce that our **Spitfire™ EX 1420** mobility scooter has been certified with a 300-pound maximum weight capacity.

The Spitfire EX 1420 has been fully tested and found to meet all requirements necessary for the 300-pound weight capacity rating. ActiveCare fully stands behind and warrants the Spitfire EX 1420 based upon these test results.

Please feel free to call ActiveCare at **866.621.4933** if you have any questions or comments about the Spitfire EX 1420, or any of our other products.
