SIGHTS OF THE NIGHT

The dinner provided a great opportunity to exhibit a sampling of our products, including a “sneak-peek” at prototypes of new products slated for 2010. Meanwhile, guests dined and met our staff, who were available to answer questions about our entire family of products.

ActiveCare took over the entire second floor of Max Lager’s American Grill & Brewery, including the upstairs bar area where ActiveCare staff met and mingled with dealers who enjoyed terrific food and drinks.

ActiveCare president & CEO Steve Neese greets the team from Wheelchairs Plus. The evening was about visiting with old friends as well as introducing ActiveCare to many potential new dealers.

ActiveCare congratulates Bryan Mercer of Just Health Shops, winner of the evening’s drawing for a Spitfire 1410 travel scooter. While Bryan was the winner of the drawing, all guests in attendance received gifts to thank them for coming.
